

**25%+ off Tuition for Baystate Families**

**Baystate Health and The MacDuffie School are pleased to announce a new collaborative program designed to offer employees the opportunity to expand their choice of schools for their child's education.**

The MacDuffie School, located in Granby, MA is a small, independent day/boarding school for students in Grades 6-12. MacDuffie has a long tradition of providing a challenging academic college preparatory program beginning with Middle School (6-8) and continuing through the Upper School (9-12). Small class sizes and an outstanding faculty make MacDuffie stand out from other school options as the school works to instill values and leadership skills in all students. In addition to an outstanding academic program, with more than 35 Honors and AP Courses available, MacDuffie offers a wide variety of fine and performing arts opportunities and a competitive athletics program with 11 Varsity sports available each year.

**Baystate Health Partnership Benefits:**

This program is available to all active employees whose children are entering grades 6 – 12, are offered admission and enroll in either MacDuffie's Middle School or Upper School program as a day student. *For purposes of this program, child(ren) is defined as any biological child, adopted child, foster child, stepchild, or child in legal guardianship.*

- Immediate tuition discount of 25%, regardless of salary.
